Cummins visited her father, Henry Newland, at Cedar Creek. Ben Pherigo, of Lexington, visited his aunt, Mrs. H. G. Cummins. Henry Blankenship and wife visited at Paint Lick. Mrs. J. B. McCreary, who has been ill most of the season under the physicians in Baltimore, has joined the Senator at the Ebbitt House. The absence of Mrs. McCreary has been deeply deplored by social Washington. She has always been one of the notably gracious and accomplished hostesses of the Capital, around whose standard the gay world loved to rally.—Washington letter to Sunday's Courier Journal.

A HOT fight for congress is on in the Eleventh district. Col. John G. Matthews seeks the toga now worn by Congressman Don C. Edwards and the latter desires to continue the wearing of it. Matthews is supposed to represent the Caleb Powers side of the fight but Edwards claims to have done great things for Powers and publishes letters from the noted prisoner telling of his gratefulness for favors shown him. From our perch in the tree it looks like Edwards will win but that he has a fight on his hands no one acquainted with the conditions in the Eleventh will deny. We could very fairly referee the little political bout, not caring an iota which wins, and hoping they'll both get beat before the year is out. So here's to Edwards and hurrah for Matthews. We are against them both and may the devil take the hindmost.

REPRESENTATIVES of the Louisville and State Law and Order League have urged Gov. Willson to call out the militia and to call a special session of the State Legislature in order to put down lawlessness in the tobacco-raising districts. Gov. Willson reiterated his previously announced views, but said he would announce his decision in a few days.

A SEARCH of the records at Washington discloses the fact that Don C. Edwards, Congressman from the Eleventh, is the author of 64 laws enacted by the 59 Congress and that the palm of victory belongs to him. Whether this will help or hurt him in his present race for Congress, time only will tell.

It is generally conceded that Hon. Harvey Helm will have no opposition for the nomination for Congress and as he can best any republican who goes up against him, it is pretty certain that the "Tall Sycamore of the St. Asaph" will represent this district for two more years at least. So mote it be.

EX-SENATOR DEBOE arises from his slumber to say that Kentucky will line-up for Fairbanks, who is the only republican he thinks who can carry Kentucky.

The Senate passed the army bill practically as reported from the committee, carrying an appropriation of nearly \$100,000,000. During the debate Senator Overman vigorously denied a newspaper report of the existence of peonage in North Carolina.

In announcing his candidacy for Congress in the Seventh district J. Campbell Cantrill charges that a deal was made by which an enemy of the Society of Equity is to be elected to Congress this year. He objects to the calling of the primary for so early a date and insists that it is not fair to him.

"I am a candidate for the presidency in the sense that if I gain the nomination I shall accept it, and make every effort to be elected. I am not making any personal campaign, and do not expect to seek instructed delegates. I consider the ambition to be President one of the most laudable aspirations which any man can entertain," says Gov. John A. Johnson, of Minnesota.

Judge Judson Harmon has issued a statement saying he is not a candidate for the Democratic nomination for Governor of Ohio.

Two new battleships are provided in the naval appropriations bill as reported by the committee in Congress. Instead of four, as recommended by the department.

Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No 20 or 30 minutes tedious boiling.
